MEARS & BRIGHTLINE LAUNCH PARTNERSHIP

As you may know, last year Mears Transportation was awarded the Brightline+ "door-to-door" ground transportation contract, and we have been working closely with the Brightline team to integrate Mears services being offered on the Brightline website & app.

The new high-speed passenger train service between Orlando and South Florida began on September 22, with 6 trains arriving and departing from the new Brightline station at OIA each day. In the months ahead, the schedule will grow to 8 daily arrivals and departures, and eventually to 22 arrivals and departures daily.

Mears Connect shuttle service, Mears Luxe private vehicles, as well as Group Transportation options will all be available to Brightline passengers arriving and departing at the Orlando Brightline station, in front of OIA's new C Terminal.

All Mears private transportation will have meet & greet service outside the Brightline entrance/exit doors (inside the terminal) on the top level. Chauffeurs will have an area to leave their vehicles and meet their guests at the Brightline entrance/exit.

This new relationship is exciting! Brightline is the only privately-owned and operated intercity railroad in the United States. We look forward to our continued collaboration with Brightline as passenger volume grows.

SEPTEMBER IS FIRE SAFETY MONTH

Happy autumn, everyone! In the days ahead, company leaders will be sharing Mears Transportation's policies and procedures related to *Fire Safety & Prevention*. Meanwhile, do you know where the closest fire extinguisher is to your desk? Have you identified more than one exit point in case of an emergency in your work area? Don't hesitate to reach out to your leadership team anytime for more Fire Safety info.

Send Us Your *Best Shot*

As we continue our photography feature in the *Mears in Motion* newsletter, “Best Shot” showcases YOUR photos of the great work we do at Mears throughout Central Florida! Here’s everything you need to know:

DO's:

- Photos must be related to Mears Transportation operations, for example a Mears taxi with a stunning Florida sunset in the background, or a lineup of Mears motor coaches framed by colorful fireworks in the night sky.
- Photos may include co-workers and/or yourself.
- Capture work-related images that are beautiful and unique.
- Submit photos to motion@mears.com, and be sure to tell us your full name, job title, and where and when the photo was taken. If there's a story behind the image, share that in your email, too.
- Make sure your image is attached as a high-resolution JPEG file.
- Enter before the monthly deadline: 11:59 p.m. on the 15th day of each month.
- Limit two photo submissions per employee per month.

DON'Ts:

- Taking photos while driving is a big DON'T. NEVER take a photo while driving any vehicle.
- Do NOT take photos of customers, clients or guests, and do NOT ask customers, clients or guests to take photos of you.
- Photography is not permitted to interrupt your work.
- Please don't digitally manipulate images to create scenes that didn't actually occur.

We can't wait to see your Best Shot!

Open to all Mears employees (part-time and full-time).

Photo selection is at the discretion of the Mears employee engagement team.

A photo chosen for publication also gives the employee one entry into the next quarterly recognition raffle drawing.

By submitting your photo, you agree to its use, distribution and publication by Mears Transportation Group, and release all related rights & claims.
